

Application of Jürgen Benrens et al.

No. continuation of PCT/DE98/02621

Filed: herewith

For CONDUCTINE PROTEIN AND A RELATED AGENT FOR DIAGNOSING AND TREATING TUMOR ILLNESSES.

Attorney's Docket 0107-026P

Hon. Commissioner of Patents and Trademarks
Washington DC 20231
Attn. PCT Legal Staff

Sir:

PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION

Concurrently with the filing under 35 U.S.C. 111, of the continuation of abandoned international application No. PCT/DE98/02621, this petition is being filed for the revival of the abandoned aforesaid international application.

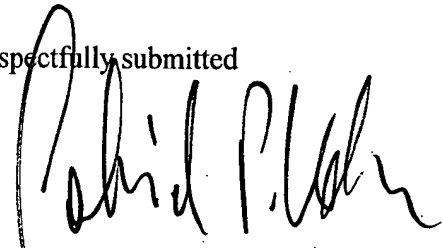

It is respectfully submitted that the abandonment and the lapse of the time period since the abandonment, were unintentional.

The requisite forms and fees and late surcharge will be paid in due course.

GABRIEL P. KATONA L.L.P.
7080 Third Avenue, 14th floor
